These are NOT modular conservatory prices that most of our competitors are offering, these unbelievable prices are for individually made bespoke conservatories, prices that the trade have been receiving for years, now we can offer these prices to you the public!

**Specification**

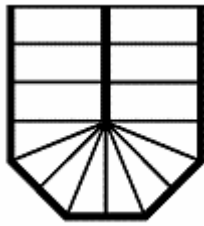

- **70mm Steel reinforced SHIELD Pvcu profile**
- **All internally beaded**
- **1500mm high frames sitting on 600mm dwarf wall, 2100mm high doors**
- **1 x Pair of French doors – 9 Point Multi-lock!**
- **25 mm Five wall polycarbonate SHEILD roofing system – Includes all wall plates, guttering, downpipes, finials and crestings! Choose from clear bronze or opal polycarbonate at no extra cost!**
- **28mm Toughened double glazed units**
- **White or gold handles**
- **All internal window boards/cills free of charge!**
- **Delivered anywhere in the U.K ( Excluding N/Ireland )**

Our prices can not be beaten and if you can find anybody offering the same **high spec** individually made bespoke conservatories at the same price or lower we will beat that price.

TO WORK OUT THE SQUARE METERAGE OF YOU CONSERVATORY  
MULTIPLY THE WIDTH OF THE CONSERVATORY BY THE DEPTH OF THE  
CONSERVATORY EG. 3m x 3m = 9 sq meters ( 3 x 3 = 9 ) SIMPLE!
